FY17 Tri-Campus Fire Alarm Inspections

Annual tri-campus fire alarm inspections, as required by the State Fire Marshal's Office, are scheduled from September 2016 through August 2017. Inspections, including testing, will begin on the first Monday of each month and will continue daily until completed. Audio and visual appliances such as horns, speakers and lights will be tested after 10:00 p.m. All other inspections and testing will be performed during normal business hours between 8:00 a.m. and 4:00 p.m. For additional information, please reference the schedule below or contact the Facilities Customer Service Center at 458-4262.
