

FRIO STREET CONSTRUCTION

OFFICE OF FACILITIES

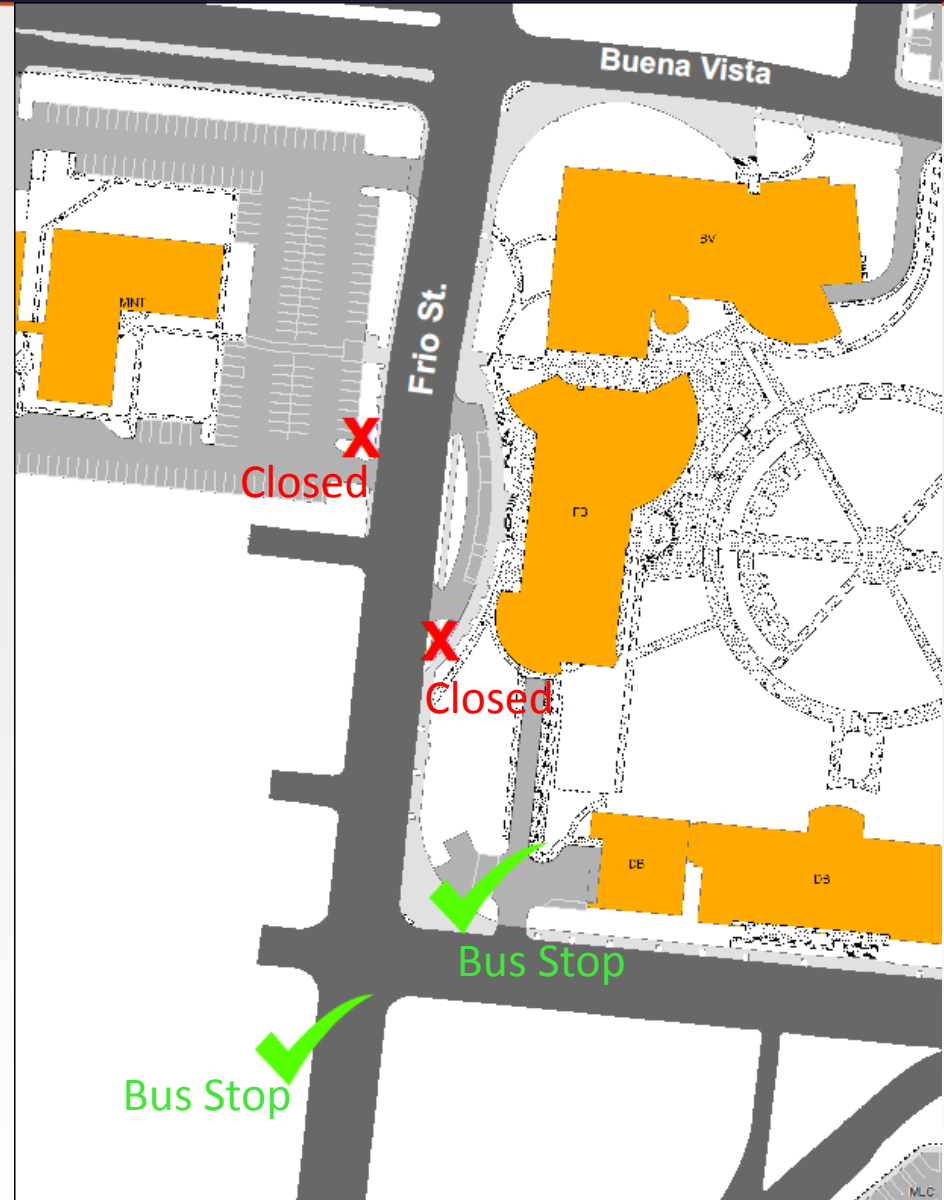

Circulation: Frio St. Improvements

- Construction will cause temporary closures. As a safety concern, the north entrance into Monterey parking lot will be closed except to pedestrian traffic.
- A new entrance on Buena Vista will allow vehicles to access the Monterey parking lot from Medina St.
- The new drive will also allow traffic to exit Monterey parking lot and head north on Frio St. or east on Buena Vista St.
- All pedestrians will need to use the crosswalk at the corner of Buena Vista and Frio St.
- Vehicular traffic will only be allowed right turns into, or out of, the Monterey parking lot.

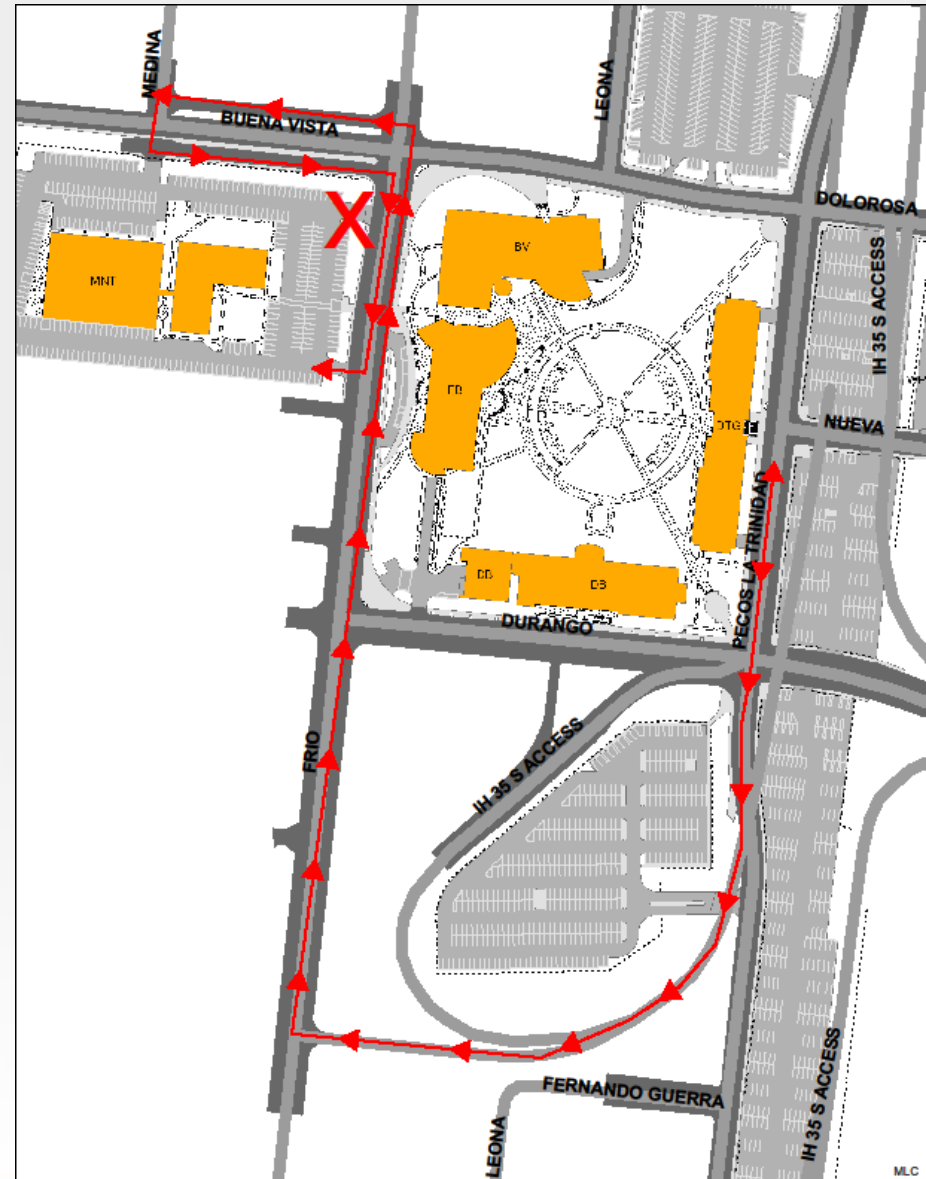

Temporary Via Bus Stops

- During construction, the VIA will be moved temporarily
- North bound riders can board VIA at the east corner of Cesar Chavez and Frio Street.
- South bound riders can board VIA at the Magistrate on west Frio Street

During construction, the east lanes of Frio St. are closed. For the safety of the pedestrians crossing at the intersection of Frio St. and Buena Vista St., the north drive into the Monterey Lot will be closed.

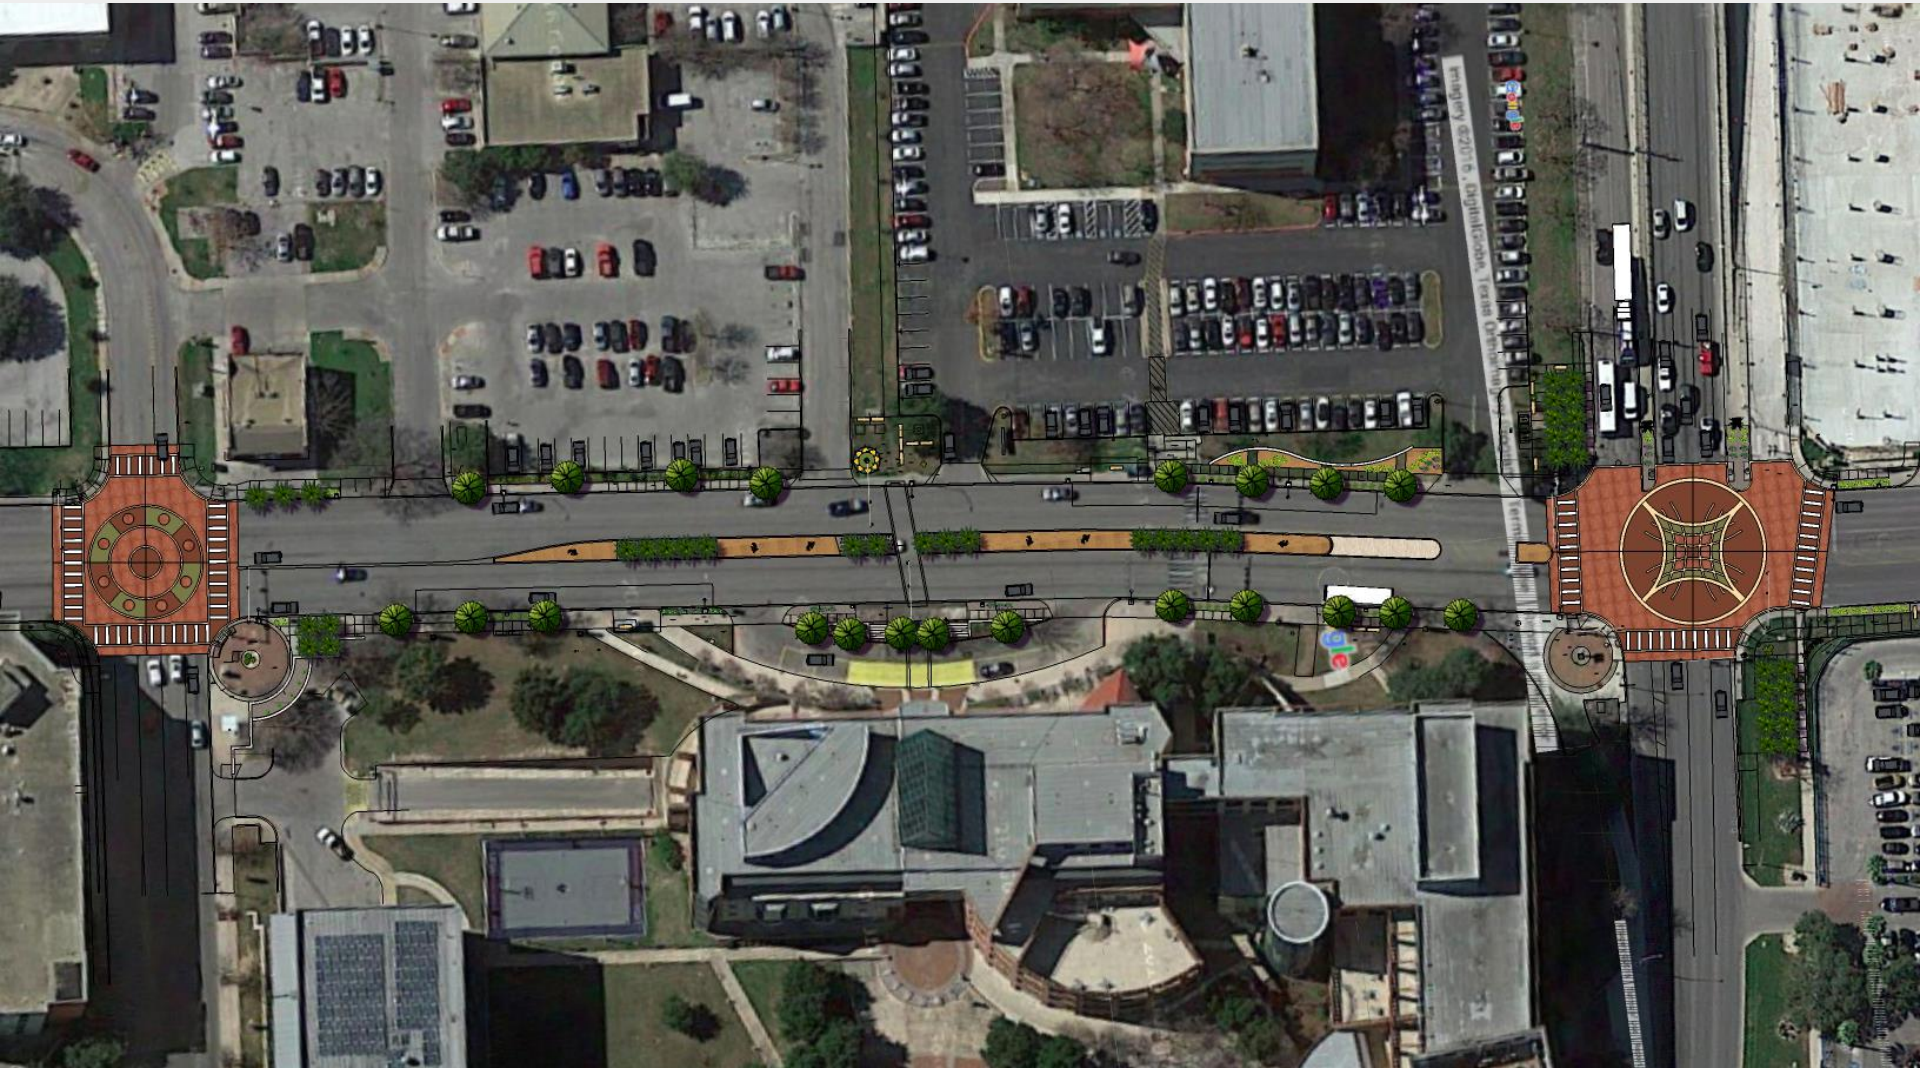

- Exit IH10 at Durango, follow the off ramp at Frio St.
- Head north on Frio St. Past the campus
- Turn left on Buena Vista frontage road, head west
- Go under the bridge on Medina St.
- Head east on Buena Vista back to Frio St.
- Turn right onto Frio St.
- Enter Monterey parking lot through the south drive on Frio St.

Cross walk on Frio St., between Frio St. Building and Monterey Building is closed. Detour signs are posted to direct pedestrians to the cross walk at the corner of Buena Vista St. and Frio St.

City of San Antonio's plan to improve Frio from Cesar E. Chavez Blvd. to Buena Vista St.
