

Frio Street Construction Update – April 10, 2017

According to the city's Capital Project Officer on April 10, 2017, the fence that was originally scheduled to be installed along Frio St. on March 28, 2017, will be now be installed on Wednesday, April 12, 2017.

Once the fence is installed, pedestrians will need to cross Frio St. at the Buena Vista St. intersection. Please refer to the *Frio Street - UTSA Fence Map* and *Frio Street Construction to Resume March 28, 2017* contained on this webpage.
