Construction of Temporary Entrance to Monterey Lot to Begin on April 19th

According to the city’s Capital Project Officer on April 18, 2017, construction of the temporary entrance to the Monterey Lot will begin on April 19, 2017. This construction, managed by the City of San Antonio, should not impede traffic, but several parking spots will be unavailable during construction and after the entrance is completed. Please refer to the *Temp Entrance Map – Monterey Lot* below. The location of the new entrance is indicated by the blue shaded area labeled “Coming Soon.”
