

To Whom It May Concern:

We invite you to participate in the annual Equinox Festival, held September 22, 2017 at the UTSA Main Campus. This event will be an excellent opportunity to showcase your organization's environmentally conscious business practices. Equinox festival is a great way to forge relationships with the UTSA and San Antonio communities.

Equinox "EQNX" UTSA's annual festival, is an effort that showcases the university's and the City of San Antonio's progress on researching and developing the sustainable solutions to improve the quality of life for future generations. Held on September 22 of every year the event links students, community members, and local businesses in a one-day event full of music, games, awards and opportunities for learning.

Proposition:

- Partner with us on Friday, September 22 with a table/booth at UTSA's Main Campus where your employees can speak on behalf of the organization's sustainable work over the years.
- Provide promotional material at your location to encourage staff and visitors to attend the festival.
- Provide a speaker to participate in one of the panel discussions on the day of the event.

We are open to your creative ideas!

With university approval, we will work with you to make those ideas happen on or before the event day.

We look forward to seeing you at Equinox!
