VIA bus detours, scheduled to begin on October 15, 2017, have temporarily relocated several bus stops from the Downtown Campus to other locations nearby. Additionally, to assist our campus community in safely navigating these areas, the attached map provides suggested pedestrian routes to and from the temporary bus stops located at Milam Park and at the S. Santa Rosa and W. Nueva intersection to Downtown Campus.

Campus Services will offer temporary shuttle service between the Downtown Campus and nearby VIA alternate bus stops. This route will take approximately 15-20 minutes for pickup and arrival to campus. The shuttle will run Monday - Thursday from 7:30 a.m. to 10:00 p.m. and Friday from 7:30 a.m. to 3:00 p.m. Please refer to the attached shuttle service map.

UTSA Police will provide additional patrols around these temporary bus stops and the campus during this time.
