BUENA VISTA CORRIDOR (Frio Street to Santa Rosa Street)

*** PROJECT UPDATE**

*** 12.20.19**

Dolorosa (San Saba to Santa Rosa) & Buena Vista at UTSA Sidewalk and Lane Closures

The contractor continues to do intermittent sidewalk and infrastructure repairs, which are anticipated being complete by Monday, February 3, 2020. These projects are being constructed in conjunction with the Buena Vista Street Corridor, a \$2.5 million 2012 Bond Project. The contractor will close intermittent traffic lanes while sidewalks construction is underway. As part of this construction, the contractor will close the UTSA parking lot

driveway on Buena Vista (Under IH-35) and provide detours to access the parking lot driveway on Nueva Street. To facilitate traffic, three other traffic lanes will remain open. Pedestrian access will be available as necessary for key events. For ease of reference, a map is provided below.

DECEMBER 2019 ACTIVITIES:

- Northside Buena Vista & S. Leona (Northwest intersection): Right of way preparations for top soil and sod.
- Southside Buena Vista & S. Leona: Demo sidewalk for wheel chair ramp.
- Southside Buena Vista & S. Pecos): At VIA bus stop crews began to demo a portion of the south lane for a new concrete bus pad.
- Northside Buena Vista (S. Leona to N. Pecos): Right of way preparations for top soil and sod. Installed electrical conduit for Hawk signal.
- Northside Buena Vista (Under IH35): Preparing for pedestrian lighting installation.

- Northside Dolorosa (IH35 to San Saba): Clean up work.
- Northside Dolorosa (San Saba to Santa Rosa): Driveway No. 5 has been completed at La Margarita. Right of way excavation and brick paver installation. Irrigation and electrical conduit work. Footings for pedestrian lighting completed. Formed and poured concrete curb island for street crossing at S. Concho St.

PLANNED ACTIVITIES FOR THE NEXT 3+ WEEKS:

- Northside Buena Vista & S. Leona (Northwest intersection): Right of way preparations for top soil and sod.
- Southside Buena Vista & S. Leona: Form sidewalk and wheel chair ramp.
- Southside Buena Vista & S. Pecos): At VIA bus stop crews will continue demolition of a portion of the south lane for a new concrete bus pad. The contractor will start forming the concrete bus pad.
- Northside Buena Vista (S. Leona to N. Pecos): Right of way preparations for top soil and sod installation. Hawk signal installation planning.
- Northside Buena Vista (Under IH35): Preparing for pedestrian lighting installation.
- Northside Dolorosa (IH35 to San Saba): Clean up work.
- Northside Dolorosa (San Saba to Santa Rosa): Asphalt patch repair at driveway. Continue right of way excavation and brick paver installation. Irrigation and electrical conduit work. Pedestrian lighting installation planning. Continue work at concrete curb island for street crossing at S. Concho St.
- **Please note: Crews will have traffic control devices adjacent to areas they will be working at. Please slow down at these areas while work is underway, thank you.**

PROJECT SCOPE:

- Improve pedestrian connectivity on Buena Vista between Frio and Santa Rosa. Aesthetic and lighting enhancements will be added as appropriate and within available funding.

- Install HAWK signal at Buena Vista & S. Leona St.

Thank you San Antonio for your patience as we improve your community!
