Dolorosa
(San Saba to Santa Rosa)
Sidewalk & Lane Closures
The contractor continues sidewalk infrastructure repairs along Dolorosa (San Saba to Santa Rosa) through March 31, 2020. The right and partial left, eastbound lanes will be closed. To facilitate traffic, three lanes of traffic will remain open for motorists. These projects are being constructed in conjunction with the Buena Vista Street Corridor, a $2.5 million 2012 Bond Project. Additionally, pedestrian access will be maintained as necessary for key events. For ease of reference, a map is provided below.
Buena Vista
(Pecos Street to Farmers Market Driveway)
Night Time Lane Closures
Beginning on Tuesday, March 17 through March 18, 2020, the contractor will be conducting overnight closures to allow completion of milling and overlaying of Buena Vista under Interstate Highway 35.
FEBRUARY 2020 ACTIVITIES:

- Southside Buena Vista & S. Pecos: Concrete pier footings completed and (2) pedestrian light poles installed.
- Northside Buena Vista (S. Leona to N. Pecos): Hawk signal installation.
- Southside Buena Vista (Under IH35): The UTSA parking lot driveway has been completed and is open. Concrete sidewalks completed. Brick pavers completed. New wheelchair ramps at S. Pecos intersection completed. Pedestrian lighting installation planning.
- Northside Dolorosa (San Saba to Santa Rosa): Brick pavers completed. Pedestrian lighting installed. Irrigation and electrical
conduit work. Pedestrian crossing island at S. Concho St. completed.

- Southside Dolorosa (San Saba to Santa Rosa): Right of way excavation for electrical conduit, irrigation lines and sidewalks. Dismantle bus shelter at Southwest corner of Dolorosa & Santa Rosa.

PLANNED ACTIVITIES FOR THE NEXT 3+ WEEKS:

- Southside Buena Vista & S. Pecos: Test pedestrian light poles. Clean up work.
- Northside Buena Vista (S. Leona to N. Pecos): Hawk signal wiring installation and testing. Clean up work.
- Northside Buena Vista (Under IH35): Pedestrian lighting testing.
- Southside Buena Vista (Under IH35): Pedestrian lighting installation planning. Clean up work.
- Northside Dolorosa (San Saba to Santa Rosa): Irrigation and electrical conduit work. Pedestrian lighting testing. Landscape planning.
- Southside Dolorosa (San Saba to Santa Rosa): Install electrical conduit for lighting. Install irrigation lines for trees. Start forming sidewalks and wheel chair ramps. Begin forming concrete pier footings for pedestrian lighting. Continue to dismantle bus shelter at Southwest corner of Dolorosa & Santa Rosa.
- Please note: Crews will have traffic control devices adjacent to areas they will be working at. Please slow down at these areas while work is underway, thank you.

PROJECT SCOPE:

- Improve pedestrian connectivity on Buena Vista between Frio and Santa Rosa. Aesthetic and lighting enhancements will be added as appropriate and within available funding.
• Install HAWK signal at Buena Vista & S. Leona St.

Thank you San Antonio for your patience as we improve your community!
