Dolorosa (San Saba to Santa Rosa)
The contractor continues sidewalk infrastructure repairs along Dolorosa (San Saba to Santa Rosa) through March 31, 2020. The right and partial left, eastbound lanes will be closed. To facilitate traffic, three lanes of traffic will remain open for motorists. These projects are being constructed in conjunction with the Buena Vista Street Corridor, a $2.5 million 2012 Bond Project. Additionally, pedestrian access will be maintained as necessary for key events. For ease of reference, a map is provided below. Public Works will continue to communicate and notify any changes with Council District 1 and Council District 5 office, Right of Way division, Center City Development Office, Centro SA, Cortez Family, UTSA and Market Square Tenants and surrounding businesses.

Buena Vista
(Pecos Street to Farmers Market Driveway)
Beginning on Tuesday, March 17 through March 18, 2020, the contractor will be conducting overnight closures to allow completion of milling and overlaying of Buena Vista under Interstate Highway 35. Public Works has been in communication and will notify of any changes with Council District 1 and Council District 5 office, Right of Way division, Center City Development Office, Centro SA, Cortez Family, UTSA and Market Square Tenants and surrounding businesses.
Thank you.....
