Please see the following Palm Tree Replacement Work for the Frio St. (Cesar Chavez to Houston St.) Project:
(Weather permitting)

**Frio St. (Cesar Chavez to Houston St.) 2012 Bond Project**
On Monday April 6, 2020 between 8:00am and 5:00pm the contractor will be replacing palm trees on Frio St. between Cesar Chavez & Houston St. Crews will have partial lane closures that will last approximately one hour for tree replacement. Lane closures are intermittent at four locations and motorist will have at least one lane for full access. Please see the map provided below. Notification of work has been provided to Council Office D5, UTSA, Stakeholders and Businesses.
