

**November 6, 2018 – SEB Related Intermittent Closures Continue Through November 28, 2018**

The north BSE loading dock and walkway that link to the Paseo del Sur and the BSE/EB covered walkway located below the plaza level will continue to be intermittently closed through November 28, 2018, for installation of overhead chilled and heating hot water pipes. Scissor lifts will be used to perform the installations and flag and spotter personnel will be used to assist with vehicular and pedestrian traffic. Work will not affect access to the BSE and EB. For additional information, reference the attached drawing or contact the Facilities Service Center at 458-4262. [Periodic Closures North of BSE Thru 11 28 2018](#)
